It was a big year for the music department. The Mixed Chorus represented the state of Florida at the National Music Educators Convention in Chicago. The Marching Band journeyed to the sister city, Santa Domingo for a series of music engagements. Many hours of fund raising were necessary to make the trips possible. The Admirals gave their time with 'The Big Band Sound' at three adult dances to help the Singing Sailors reach Chicago. Other fund raising endeavors included a store operated by the chorus; selling Christmas wrapping; and numerous concerts. The student body and faculty did a commendable job in lending support.

In memory of Danny Nikla, a member of the graduating class of 1970, who met with a fatal automobile accident in the summer of his senior year.

SENIOR NOTABLES

of the hard times we've been Jerry, all
through for Repulski. Always re-
member "Sir Walter Scott" and
how he influenced us. When you
are humming around in New York
stop and think of how you want
to spend the next 12 years of your
life - whether you want to burn
around or settle down & build a
life that has meaning. I wish
you the best of luck as I wish
you decide and hope that
you choose the latter.
I'll in most likely keep
you touch with
all of the through
Michelle. I
deserve.

Located in the pleasant surroundings of
THE GULF GATE MALL

That's why we skipped all the fancy frills and filigrees found on outdoor furniture that tries so hard to "look" Spanish. Our new Cantina group has the bold, functional look of furniture found in the Spanish countryside. We've made it out of heavier materials. Larger tubing. Wider vinyls. We've scaled the seating pieces to generous proportions. Tables are bigger than ever in a new "square-round" design.

We named this new group Cantina, because of its rugged appearance and obvious durability. The aluminum tubing is 14% larger than we've used in the past. And there's a lot more of it. The average chair is about 85% heavier than our other lines. Still easy to carry, but for less likely to blow over in a strong wind.

Note the beautifully mitered arms. The design is repeated throughout the entire line, even on the tables.

The Cantina Collection will offer 15 different pieces including dining and lounge chairs, chaises, benches, cocktail and dining tables, as well as bar stools and a special host chair.

As a matter of fact, we think we've finally got it! If you think so too, ask for our Cantina brochure, and dealer name.

Gerry

Believe it or not, it's hard for me to write to someone I love very much. I guess you're right, if it wasn't for Weaver we never would have met, but if it wasn't for Jeff we would have never come together. We've had some really great times, and I hope you won't forget them all. I'd never do anything to hurt you because I love you, and while you're away I'll be a good kid. I'll be waiting - AND DON'T YOU FORGET IT. I don't care how boring your letters will be, I'll read them, you can bet on it. You've done a lot for me, I hope you realize it, and I'll never forget it. I hope you have a great time in California and New York, but don't get into too much trouble. Cause when you and Jeff and Gody get together, all hell will break loose. Try to be a good boy if you can and think of me when your feeling down, cause I'll be thinking of you. Well, if I have any thing else to say, I'll tell you myself. (Remember - I LOVE YOU)

Good luck and take care,
Michele '70'
